RELEASE

PINAL AMA MOVING TO NEW OFFICES

Effective April 1, the Pinal Active Management Area will be doing business from new offices.

Joseph C. Smith, director of the Arizona Department of Water Resources, said the move is being made to improve the agency's service to the public.

"It's the right time to make the move," the director said. "Everybody knows how rapidly Pinal County is growing, and we can see the AMA staff's workload increasing."

Area Director Dennis Kimberlin said the new office at 1729 North Trekell Road in Casa Grande features a conference room that will enable the department to hold many of its meetings on-site instead of needing to meet at alternate locations.

"This will be a big improvement," Kimberlin said. He added that the new office will be easier to find since it is located on one of Casa Grande's major streets.

The Pinal AMA's new offices:
